THEME:
« TALENTS AND CREATIVITY »

HOW CAN I DISCOVER MY TALENTS?

• If you know what your natural talents are, you can focus on developing them into strengths.

• And you can devote your life to work that is congruent or in harmony with your natural talents and strengths.

• Most likely, this will be a much better use of your time and generally make you happier, more effective, and more successful

Jesus often told a story to teach a lesson. Hear the story of the talents

.... One day a man was going on a long trip. He needed his servants to take care of his property while he was gone, so he called them to him.

"...To the first servant he gave five talents of money. This man went to work at once using his money until he had doubled it. He now had ten talents instead of five. ..

Jesus Teaching by the Seashore by James Tissot

"Well done, good and faithful servant! You have been faithful with a few things; I will put you in charge of many things. Come and share your master's happiness!"

God has endowed every one of us with talents. He wants us to develop our talents.

So see properly what God has given you, work on it, and you will receive more.

While a lazy person will lose even what he now has.

This story of the TALENTS shows how to make the right use of the riches that God gives us.
