

## SUPPLICATION

O Jesus, Mary, Joseph, may you be the protectors of our dear Institute: guard it, defend it from all danger, persecution and diabolical deception. Look on each and every one of us with a gaze of special love: provide for all our spiritual and temporal needs.

Bless our Superiors and grant them the comfort of the Holy Spirit, bless our works of charity and zeal, be our guide in the faithful observance of the Holy Rule, and make us know the sweetness, the sublimeness of interior life of silence, of recollection, of sacrifice and of abandonment to the holy will of God, which is the secret of true holiness and of highest perfection.

O Jesus, Mary, Joseph, be always with us and our house will become like yours, the House of peace, continual prayer, obedience and charity, which are those bonds that will keep our hearts united to the Heart of Jesus, our only love and sweetest Spouse.

*APPROVAL: approved, strongly recommended to be recited and for each time 100 days of indulgence are granted.*
